

Staring At The Light

The Living End

Times up heading for a brighter light
The foreign waters put the fire out
No one ever asked you, wasn't meant
To end this way, to end this way
You're not alone now, you're closing in now
Staring at the light, so easily denied
Staring at the light, released before your time
Staring at the light, look on the other side
You never knew why it wasn't up to you
Some may relish in the afterlife
Dancing slowly on the edge of a knife
Sipping wine of the poisonous kind
Overdose on loneliness
Have no fear now, we're on the case
Beyond there lies a better place
Where knowledge ends and faith begins
A hell to stand by and a heaven within
Not alone now, you're closing in now
Staring at the light, so easily denied
Staring at the light, released before your time
Staring at the light, look on the other side
You never knew why it wasn't up to you
You're not alone now, you're closing in now
Staring at the light, so easily denied
Staring at the light, released before your time
Staring at the light, look on the other side
You never knew why it wasn't up to you
You never knew why it wasn't up to you, to you
Times are heading for a brighter light
