## Die a Happy Man (feat. Tori Kelly) [The Remix]

## **Thomas Rhett**

Baby last night was hands down One of the best nights That I've had no doubt Between the bottle of wine

And the look in your eyes and the Marvin Gaye

Then we danced in the dark under September stars in the pourin' rainAnd I know that I can't ever tell you enough

> That all I need in this life is your crazy love If I never get to see the Northern lights Or if I never get to see the Eiffel Tower at night Oh if all I got is your hand in my hand Baby I could die a happy man

A happy man, baby, hmmBaby and that red dress brings me to my knees Oh but that black dress makes it hard to breathe

You're a saint, you're a goddess, the cutest, the hottest, a masterpiece

It's too good to be true, nothing better than you

In my wildest dreamsAnd I know that I can't ever tell you enough

That all I need in this life is your crazy love

If I never get to see the Northern lights

Or if I never get to see the Eiffel Tower at night

Oh if all I got is your hand in my hand

Baby I could die a happy man yeahI don't need no vacation, no fancy destination Baby you're my great escape

We could stay at home, listen to the radio

Or dance around the fireplaceAnd if I never get to build my mansion in Georgia

Or drive a sports car up the coast of California

Well if all I got is your hand in my hand

Baby I could die a happy manBaby I could die a happy man

Oh, I could die a happy man

You know I could girl

I could die, I could die a happy man, uh oh hmm
