## S.O.S.

## **Krystal Meyers**

Have I been left here alone to die? I know Im breathing but am I alive? Check my vital signs before they disappear Oh God are You near? I am in distress, come and save my life This is my S.O.S. screaming up to the sky Holy Father make us whole Cause You alone can save our soulsPrecious time is tickin' away And all that I can do is pray Cause this is sink or swim and I am lost at sea Oh God rescue meI am in distress, come and save my life This is my S.O.S. screaming up to the sky Holy Father make us whole Cause You alone can save our soulsMy cry for redemption I'm a dying breed Give me salvation Youre the one I needI am in distress, come and save my life This is my S.O.S. screaming up to the sky Holy Father make us whole Cause You alone can save our souls Can save our souls
