Fall

Brandy

Fall, fall, fall, fall, fall, fall, fall
I wanna lose myself in love
Let you have me completely
If I give you all my trust
Can I just let me go?
Let me not be afraid
To let you find my way
'Cause when you find someone
That means so much to you
Givin' all you got is easy to do
Just fall, don't be afraid
Fall, 'cause I'm on my way
Fall, with all of my faith, in love
Fall, it will be okay
Fall, there's no other way
Fall, just fall in love
Just fall, don't be afraid
Fall, 'cause I'm on my way
Fall, with all of my faith, in love
Just fall, it will be okay
Just fall, there's no other way
Fall, fall
I'm ready to fall, fall
Fall, fall, fall, fall, fall, fall, fall
So I find myself right here
'Bout to lean over the edge
In your arms I have no fear
There is no safer place
Than here in your embrace
So catch me if I fall
Just fall, don't be afraid
Fall, 'cause I'm on my way
Fall, with all of my faith, in love
Make me fall, it will be okay
Fall, there's no other way
Fall, just fall
Just fall, don't be afraid
Fall, 'cause I'm on my way
Fall, with all of my faith

Just fall, it will be okay
Just fall, there's no other way
Fall, fall
It's not easy givin' up trust
And aren't you scared a little bit?
Then your heart is questionin'
If you could really handle it?
Don't wanna fall alone
So, will you catch me? Save me?
And tell me I'll be safe right here
And if at all you're the one that's scared
So, baby, come and fall right here
Just fall, fall, fall in love
Fall, fall, fall in love
I wanna fall in love
Just fall, don't be afraid
Fall, I'm on my way
Fall, with all of my faith
Fall, it will be okay
Just fall, there's no other way
Fall, just fall in love
Fall, fall, fall, fall, fall, fall, fall
Fall, fall, fall, fall, fall, fall, fall
In love, in love, in love, in love
Yeah, in love, yeah, yeah, yeah
These flows I've got they're all part of who I am
Take me all night 'cause I finally understand
And I'm so done tryin' to be everythin' you want
And I had to stop, 'cause baby, it ain't worth it
I've got a camouflage, yeah
