

# I'd Avoid Me Too

Dwight Yoakam

Here I sit all alone just a wonderin' why  
You must have slipped out while I was high  
I know just how it feels and I'm not blamin' you  
'Cause if I had to choice, I'd avoid me tooI've heard tell people say, I'm half worth nothin' at all  
While that may not be true  
Dead to rights  
It sure ain't landin' far wrongThere's little question or none  
Wasn't much you could do  
And if I had the choice, I'd avoid me tooNow I'm having fears and doubts  
Right along with everyone else  
And here lately, I'm not so sure  
I should even be seen with myselfBut here I sit all alone, just a wonderin' why  
I guess you slipped out while I was high  
I know just how it feels and I'm not blamin' you  
'Cause if I had the choice, I'd avoid me tooIf I had the choice  
If I had the choice  
If I had the choice  
I'd avoid me too
