

# That's The Kind Of Love I'm In

**Jace Everett**

I had to pack it up, yeah I just wasn't worth a dime today  
Boss won't miss me much, hell I wasn't really there anyway  
Yeah I've been lost in your arms and your touch and your kiss  
Since I left you at 6 a.m., 'cause that's the kinda love I'm in  
That's the kinda love I'm in  
Yeah I was makin' good time, couldn't wait to get here to you  
Oh man I was flyin', when my front right in a right back blue  
And I probably shoulda stopped  
Probably looked like a fool tearin' up these 400 dollar rims  
But that's the kinda love I'm in, yeah  
And nobody's ever wanted nobody, the way that I want you  
Yeah and there's somethin' 'bout every little thing about you  
There's nothin' I wouldn't do  
Wanna stand for you, fall for you, live for you, die for you  
Don't want you out from under my skin  
'Cause that's the kinda love I'm in, that's the kinda love I'm in  
Yeah, I can't turn it off, why would I if I could?  
Man I love the thought of you on my mind for good  
And bearin' my soul with the truth like this  
Might be steppin' out there, too far on a limb  
But that's the kinda love I'm in
