

How to Love Me

Grace

When I'm with you, I can never read your mind
Why don't you know, I'm lying when I say I'm fine
Why don't you learn how to love me
When I can't sleep
Would you hold me?
I'd only cry
If I can't speak
Should I show you
How to love me?
How to love me...I guess you're too cool
To hold my hand on Valentine's
But what do I know
I'm just a girl you stand beside
When will you learn
How to love me?
When I can't sleep
Would you hold me?
I'd only cry
If I could speak
Should I show you
how to love me
Baby when we look in the mirror
Does it make a beautiful clearer
Cheering my name
Can't even tell a blue
Why won't you
Learn how to love me
Learn how to love me
Oh when will you learn
How to love me
When I can't sleep
Would you hold me
I'd only cry
If I could speak
Should I show you
How to love me
How to love me
How to love me
How to love me
How to love me
