DÃ¼e

DÃœE

Donâ€™t keep your eyes
Down on the floor
You keep your eyes down
Down in the open door

You are old enough

Donâ€™t keep your eyes
Down anymore
You wait for me down
Down in the open door

I always knew
You anyhow
I always knew
At the end
Weâ€™ll be standing in the front

You are old enough

Will you wait for me?
Will you wait for me?

Cuz I know I never collected
