

Liez

55 Escape

LIEZ!

LIEZ![BRIDGE]

I can not say no more

I can not say too

I'm not says no more

I can not stay foreverHow could I trust those (LIEZ!)

Why did you say that to me

How could I trust those (LIEZ!)

Maybe it's now or never[VERSE]

Feels like I'm falling

To the ground

(Like I'm falling down, can you hear the sound as I touch the ground. I'm falling)

I'm standing on the edge

Can't see the ground

(Like I'm falling down, can you feel the ground, it's a long way down)[CHORUS]

I... I think I lost my mind

I think I lost this time

How could I be so blind

[x2 times](NOW IT'S ALL GONE AGAIN!)[VERSE]

Now it's all gone again

Now it's all lost forever

Now it's all gone again

We can not tell you never[BRIDGE]

How could I trust those (LIEZ!)

Why did you say that to me

How could I trust those (LIEZ!)

Maybe it's now or never[VERSE]

Feels like I'm falling

To the ground

(Like I'm falling down, can you hear the sound as I touch the ground. I'm falling)

I'm standing on the edge

Can't see the ground

(Like I'm falling down, can you feel the ground, it's a long way down)[CHORUS]

I... I think I lost my mind

I think I lost this time

How could I be so blind

[x2 times]... I think I lost my mind ...

... I think I lost this time ...

... How could I be so blind ...[CHORUS]

I... I think I lost my mind
I think I lost this time
How could I be so blind
[x4 times]
