

# Look Away

## Deerhoof

I saw her standing there  
Tears upon her cheek told me something was wrong  
I asked her what it was  
She looked away and said "My daddy's home"  
I knew what that meant  
It meant that I could never see her again  
I had seen this once before  
I didn't wanna deal with it anymore  
"Look away" she said, as she turned to me  
And when I tried to hold her, I couldn't let her be  
Let her be, let her be  
I said "Why, why do you make me cry?"  
She said, "I love you so, look away I don't wanna know"  
I saw her standing there  
Tears upon her cheek told me something's wrong  
I said, "What baby"  
She looked away and said "My daddy's home"  
"Look away" she said, and she turned to me  
But darling, oh I loved her, couldn't let her be  
Let her be, let her be  
"Look away, look away"  
She said, "I love you so, look away"
