

# Too Close for Comfort

## Dakota Staton

Be wise, be fair, be sure, be there, behave, beware  
Be wise, be smart, behave my heart  
Don't upset your cart when she's so close  
Be soft, be sweet, but be discreet

Don't go off your feet

She's too close for comfort

Too close, too close for comfort, no, not again

Too close, too close to know just when to say when  
Be firm and be fair, be sure, beware

On your guard, take care

When there's such temptation

One thing leads to another

Too late to run for cover

She's much too close for comfort  
Doo-ba-um-doody-doo-ba, doo-doo-doo

Be wise, be fair, be sure, beware  
Put on your old thinking cap, boy

'Cause if you don't look out, you

Will find that you are much too

Too close for comfort  
Go ahead, and for a mishap, boy

The first thing that you know she

Will have you up that old tree

She's too close for comfort  
Too close, too close, ah, too close  
Ba-doo-da.(etc)  
Be firm and be fair, be absolutely  
sure, beware

On your guard, take care

When there is such temptation

One thing leads to another

Too late to run for cover

She's much too close for comfort now

One thing leads to another

Too late to run for cover

She's much too close for comfort now  
One thing leads to another

Too late to run for mother

She's much too close for comfort now  
Be wise, be fair, be sure, be there, behave, beware

She's too close, too close, for comfort now
