

Home Sweet Home

[Andreas Gabalier](#)

Wherever I go whatever I do
from all of my heart i'm still missing you
Deep in my soul in miles away times going by I wish I could stay
Youre the place where I belong
Wherever I go I live life my way but still now and then my falls drift away
As long as I live I'll always retourn
I'll never forget where I come from
Youre the place where I belong
You still make me go on and on
Youre the place where I belong
You still make me go on and on
