

On The Breath Of An Angel

Anggun

Wherever I go, whatever I see
Over oceans unknown, you are always with me
Pure as the water, we float on this wave
On the breath of an angel, I'll fly away
At the ends of your fingers
I follow tonight
Caught in the lighting
Of a thousand horizons
We dance for no reason
You hold on so tight
Lost in the feeling
Of a wonderful ride
Di semua bahasa
Semua warna
Kupahami kata
Yang kau ukir indah

Nyanyi beku angin
Cairkan sengat suria
Di relung hatiku
Bernyanyi bidadari
I can hear every word
I see everywhere
Take me into your world
You can answer my prayers
Rivers of hours
Where time is so rare
Hold me forever
Say you'll always be there
Wherever I go, whatever I see
Over oceans unknown, you are always with me
Pure as the water, we float on this wave
On the breath of an angel, I'll fly away
