Big Time Rush

I can feel it in the air
I like the truth but love to dare
Livin' life like it's a vacation We are golden like the sun
Never never age, we all stay young
Cause we're the here and now generation Try and knock us down
We'll get up every time
We can run this town
So let's do what we like, do what we like All day, every day is a holiday
We're alright, 24/Seven
All day, every day all we gotta say
Is live your life, 24/Seven
24/Seven
24/Seven We got no one to impress
Looking fly no matter how we dress
Standing up forever 'cause there is no wind It doesn't matter where you're from
'Cause we're all together here as one
When tomorrow comes, we'll do it all again Try and knock us down
We'll get up every time
We can run this town
So let's do what we like, do what we like All day, every day is a holiday
We're alright, 24/seven
All day, every day all we gotta say
Is live your life, 24/seven
All day, every day is a holiday
We're alright, 24/seven
All day, every day everybody say
Is live your life, 24/seven 24/Seven
24/Seven All day, every day's a holiday
We don't care what other people say
All day every day's a holiday
We don't care what other people say All day, every day is a holiday
We're alright, 24/Seven
All day, every day all we gotta say
Is live your life, 24/Seven
All day, every day is a holiday
We're alright, 24/seven
All day, every day everybody's saying
Live your life, 24/seven Come on and sing it baby
24/seven

24/seven

Wanna sing it baby, sing it sing it baby

24/seven
