Hawaii

Jenn Grant

Well honey I have wasted too many lines about it
Planted a beautiful garden about it in my backyard
Ooh the colours of you are shining in and out of it
And bugs are crawling on top of it for me and for you
It's 10 AM the grass feels thin between my toes and you watch me through the window
Well you oh you ooh
The light shines in you catch me in the morning glow
That Only you can get in
Well you ooh oh ooh oh ooh ooohhh
Ooh oh ooh oh...
