Time After Time

Jon B.

We shall meet oh yeah yeah oh oh yeah ohI learned so much about love
Since I've been by your side
And you spend all your time
Knowing what you've done for meThe simple fact is baby that I'm longing for you, girl
Desperate and needing you to stay in my life
'Cause I'm sorry but forgiving
But your love for me is for the wrong reasonsI wish I could satisfy you baby
But you're so sick of the those natural things
Guess I'm a fool for loving you
But honestly the truth isTime after time I'll be yearning for you
Dime after dime, I thought I was earnin' for two
Maybe this time you'll be the one who feels the pain
Time after time again, yeahI used to be such a baby crying in your arms
But now I'm older, wiser, now I'm hip to the scenes
Tell me, when you make love to that someone else
Do you think of how it felt different with me when you fell asleep?
and when you wake up, I was thereI was honest, I was changed for the good
But the bad of it all is it's worth nothing
I wonder if after it all is there someone still waiting for me
Is this all in the plan for the helping hand
I wish it would be you but I know it can'tTime after time I'll be yearning for you
Dime after dime, I thought I was earnin' for two
Maybe this time you'll be the one who feels the pain
Time after time again, yeahYou gave your reasons why you made perfect sense
But you'll miss your water when your well runs dry
'Cause somewhere, I believe I was the one
You'll have your fun baby in the back of your mind
You'll find that you still love meTime after time I'll be yearning for you
Dime after dime, I thought I was earnin' for two
Maybe this time you'll be the one who feels the pain
Time after time again, yeahTime after time I'll be yearning for you
Dime after dime, I thought I was earnin' for two
Maybe this time you'll be the one who feels the pain
Time after time again
