

Good Time Lookin' For Me

Kid Rock

I'm gonna find a highway or back road I could roll on
Put some weight in the tank now and fire up my favorite song
I'm gonna ride to nowhere or anywhere I can be free, yeah
'Cause I know somewhere there's a good time lookin' for me I'm gonna find the crossroads and wash
Mississippi clean
And deal that devil his due me and old Jimmy Beam
I'm gonna find some white lines and follow them wherever they lead
'Cause I know somewhere there's a good time lookin' for me A juke joint jumpin' with whiskey flowing like a
river, yeah
A cowboy band with a banjo picker and a fiddler, yeah
I'm gonna look under every stone and shake every tree
'Cause I know somewhere there's a good time lookin' for me I'm gonna keep on moving even if I have to thumb
my way
I'm so tired of feuding and watching my life slip away
Now I don't really care if it's New York or Tennessee
'Cause I know somewhere there's a good time lookin' for me A juke joint jumpin' with whiskey flowing like a
river, yeah
A cowboy band with a banjo picker and a fiddler, yeah
I'm gonna look under every stone and shake every tree
'Cause I know somewhere there's a good time lookin' for me I said baby, baby, baby don't you wanna go?
I said baby, baby, baby don't you wanna go, yeah I got my hand on the throttle, I'm telling you I'm on my way
I can't wait for tomorrow or sit around for Judgment Day
And I could care less about anywhere that I gotta be
'Cause I know somewhere there's a good time lookin' for me
'Cause I know somewhere there's a good time lookin' for me
'Cause I know somewhere there's a good time lookin' for me
Good time lookin' for me
Good time lookin' for me
Good time lookin' for me
