

# Believe in Me

[Rick Springfield](#)

There'll be a time when everyone is left alone and I'll have mine  
There is no doubt when everyone has worn me out and gone  
When everybody's had their fill, she'll be waiting, she's waiting still  
And though she doesn't know, I know, I know she wouldn't mind 'Cause having someone believe in me, is all I  
need to know  
And standing all alone, is not the way I want to go And if I get to be a star, or maybe nowhere near that far  
I know that either way, it doesn't matter much to her  
And if I'm on my dying bed and suddenly, my life is bled away from me  
I know, she'll shed a tear because she cares 'Cause having someone believe in me, is all I need to know  
And standing all alone, is not the way I want to go And if I get to be a star, or maybe nowhere near that far  
I know that either way, it doesn't matter much to her  
And if I'm on my dying bed and suddenly, my life is bled away from me  
I know she'll shed a tear because she cares 'Cause having someone believe in me, is all I need to know  
And standing all alone, is not the way I want to go
