

Trouble With My Lover

Betty Harris

Trouble With My Lover - Betty Harris

Sometimes I get lonesome

Sometime I get a little blue

He got me walking around in circles and after that I don't know what to do

What good is a love

you cant have it when you want it What good is a love

if you can't own it

Love can be so good

And love can be so cruel Love can make you happy Make you blow your cool

But when he puts his arms around me

Way in the little old dark

You know he fill me up with a kind of delight oooh the mans all right

(trouble with my lover)

I'm in a world of trouble (trouble) (trouble with my lover)

I'm in a world of trouble (trouble)

I feel so helpless

I can't help myself

I don't want to see him no no no no with nobody else

In the restless hours

i sit home alone

i wished i believe oh yeah this man i love

But when he puts his arms around me

Way in the little old dark

You know he fill me up with a kind of delight hey the mans all right

[chorus x 2 and fade]
