Illuminatus

Gorguts

Consistence of dreams
Sweet liquid illuminates
Illuminatus...Soul's Arsis
Consistence of souls,
Nothingness in emptiness
Enobscuratus...Flesh's Thesis
Lake of flameless thoughts,
A lucid crisis
Cogitabundus...Stillness of mind
Inner-circle rises,
Sentiments are fine
Nihiluminatus...Life mystified through blissful light...Rise
Heresy and Heretic contemplation
Life purified earthly mind...Dies
Abashed and aghast rebellionSensitive Aura, peaceful Requiem
Illuminatus...Soul's Arsis
Translucid dogma, peaceful condolences
Enobscuratus...Flesh's ThesisLife mystified through blissful light...Rise
Heresy and Heretic contemplation
Life purified earthly mind...Dies
Abashed and aghast rebellion
