Danny Says

Foo Fighters

Danny says we gotta go
Gotta go to Idaho,
But we can't go surfing
'cause its 20 below

Sound checks at 5 o' 2
Record stores and interviews
Oh but I can wait to be with you
Tomorrow

Baby oh oh oh
We got nowhere to go
And it may seem funny
But it's true uhu uhuu

Hanging out in 100 feet
Watchin' get smart on TV
Thinkin' about you and me and you and me

Hangin' out in here
Having nowhere to go o
I ain't Christmas if there ain't no snow
Listening to Sheena on the radio

Danny says we gotta go
Gotta go to Idaho
But we can't go surfing
Cause its 20 below

Baby oh oh oh
We got nowhere to go
And it may seem funny
But it's true uhu uhuu

Hanging out in 100 feet
Watchin' get smart on TV
Thinkin' about you and me and you and me

Uh uh uh uh
