

Hollywood's Not America

Ferras

Born Helena Jane
With a restless soul
She moved west to California
Became a centerfold
But once you change your name
Well the pieces fall
Now she hardly recognizes herself at all
And there's never any rain, when you want it
A hollow little game, and you've won it
Looking for a thrill but you've done it all
So long, put your blue jeans back on girl
Go home
Remember Hollywood's not America
So long, put your blue jeans back on girl
Go home
Remember Hollywood's not America
Oh yea
And everybody here's from somewhere else
You could make a million dollars, but you might lose yourself
And you can take the heat, will your heart go cold?
They say acting's just pretending, but even that gets old

And there's never any rain, when you want it
A hollow little game, and you've won it
Looking for a thrill but you've done it all
So long, put your blue jeans back on girl
Go home
Remember Hollywood's not America
So long, put your blue jeans back on girl
Go home
Remember Hollywood's not America
And I know what to do when
I know that you
You can be anything you want to be
So long, put your blue jeans back on girl
Go home
Remember Hollywood's not America
So long put your blue jeans back on girl
Go home

Remember Hollywood? 's not America
Hollywood? 's not America
It? 's not America
