

Renacer

Carles Benavent

The gate you're afraid to enter

Holds the treasures you seek

Your flesh, my bones

Young hearts, old souls

The gate you're afraid to enter

Holds the treasures you seek

Silver and gold

Young hearts, old souls

This is the death of the subconscious you knew

Follow the inner voice, follow the truth

Forever we are bound to this burial ground

Unless we let the light shine through

(Reborn)

My heart it no longer bleeds[?]

(Reborn)

I've got the love that I need

Stop wasting your time waiting on misery

I'm reborn eternally

When you look in the mirror

Are you proud of what you see?

When you look in the mirror

Are you the person you thought you'd be?

The gate you're afraid to enter

Holds the treasures you seek

Your flesh, my bones

Young hearts, old souls

The gate you're afraid to enter

Holds the treasures you seek

Silver and gold

Young hearts, old souls

Your flesh, my bones

Young hearts, old souls
