

Big Train

Mike Watt

big train, big train.come along and ride my big train.the big train comingout the tunnel up the track.it's modern transportation, there's nothing that lacks.

I don't know where I'm going, I know I ain't coming back.come along and ride the big train.the daughter of the sheriff, the daughter of the judge.they like just what they're doing, they're never gonna budge.they're drinking white wine, they're eating chocolate fudge.come along and ride the big train.
