Droplets (Feat. Gabrielle Aplin)

Lewis Watson

I'm leaving you
Not sure if that's what I should do
It hurts so bad
I'm wanting you but can't go backTrying for find, find
That, oh, illusive piece of mind
Stuck here, somehow
Shrouded beneath my fear
And I, I don't need itI'm walking down this world alone
And I figured all I'm thinking 'bout is you
Is you, my loveAnd my head is in a cloud of rain
And the world it seems so far away
And I'm just waiting for the droplets
The dropsSo you left a mark
And I wear it proudly on my chest
Above my heart
To remind me that I feel the bestWhen I'm with you
And everything is effortless
You know it's true
My eyes are painted with regret
And I don't need it'Cause I'm wondering down this road alone
And I figured all I'm thinking 'bout is you
Is you, my love'Cause my head is in a cloud of rain
And the world it seems so far away
And I'm just waiting for you to sink into your skinYou are like the raindrops, the raindrops
Falling down on meSo you left a mark (you left a mark)
She left a mark (He left, he left)
But I (I don't) don't, I don't need it
