

Got My Love

[Jonathan McReynolds](#)

Father You've pursued me, even when I walked away
You put me on this journey, and promised You would stay
You took my dirty laundry, and washed it white as snow
You took what they called ugly, and made it beautiful You caught my eye, You stole my heart
You got my love, forever, fo'real God
You caught my eye, You stole my heart
You got my love, forever, fo'real
Oooh, oooo, oooo, whoa (everybody say)
Oooh, oooo, oooo, whoa How can I repay You, for a whole lifetime of grace
Your love don't stop ?, even when I stopped my praise
I gave other things chances, 'cos I didn't realize
It's only your mercy (yeah), that's keeping me alive You caught my eye, You stole my heart
You got my love, forever, fo'real God
You caught my eye, You stole my heart
You got my love, forever, fo'real
Oooh, oooo, oooo, whoa (All the mothers n daughters say)
Oooh, oooo, oooo, whoa I've made up my mind to love you for life
The strongest tie is I love
I've made up my mind to love you for life
The strongest tie is I love
I've made up my mind to love you for life
The strongest tie is I love
I've made up my mind to love you for life
The strongest tie is I love You caught my eye, You stole my heart
You got my love, forever, fo'real God
You caught my eye, You stole my heart
You got my love, forever, fo'real God
You caught my eye, You stole my heart
You got my love, forever, fo'real God
You caught my eye, You stole my heart
You got my love, forever, fo'real
