

# Dead Presidents II

Jay-z

Presidents to represent me  
I'm out for presidents to represent me  
I'm out for presidents to represent me  
I'm out for dead fuckin' presidents to represent me  
Ahh, who wanna bet us that we don't touch leathers  
Stack cheddars forever, live treacherous all the et ceteras  
To the death of us, me and my confidants, we shine  
You feel the ambiance, y'all niggaz just rhyme  
By the ounce dough accumulates like snow  
We don't just shine, we illuminate the whole show, you feel me?  
Factions from the other side would love to kill me  
Spill three quarts of my blood into the street, let alone the heat  
Fuck 'em, we hate a nigga lovin' this life  
In all possible ways, know the Feds is buggin' my life  
Hospital days, reflectin' when my man laid up  
On the Uptown high block, he got his side sprayed up  
I saw his life slippin', this is a minor set back  
Yo, still in all we livin', just dream about the get back  
That made him smile though his eyes said, "Pray for me"  
I'll do you one better and slay these niggaz faithfully  
Murder is a tough thing to digest, it's a slow process  
And I ain't got nothin' but time  
I had near brushes, not to mention three shots  
Close range, never touched me, divine intervention  
Can't stop I, from drinkin' Mai-Tai's, with Ta Ta  
Down in Nevada, ha ha, Poppa, word life  
I dabbled in crazy weight without rap, I was crazy straight  
Potnah, I'm still spendin' money from eighty-eight, what?  
Presidents to represent me  
I'm out for presidents to represent me  
I'm out for presidents to represent me  
I'm out for dead fuckin' presidents to represent me  
Geyeah, know what? I'll make  
You and your wack mans fold like bad hands, roll like Monopoly  
Advance you copy me like white crystals, I gross the most  
At the end of the fiscal year than these niggaz can wish to  
The dead presidential candidate  
With the sprinkles and the presidential, ice that'll offend you  
In due time when crime fleas my mind

[illegible]
