

Edge of a Dream (Live 2012)

Firewind

Didn't mean to cause you trouble.
Didn't mean to cause you pain.
I never thought this could turn out this way,
Maybe I am a big mistake.
Didn't mean to say these words.
Didn't mean to hurt your pride.
We're looking for some inspiration,
I never found it in your heart.
Walking on the edge of a dream.
Can't you see that I'm real?
Pretend that it's for ever!
Walking to the edge of the world,
We belong in our dream,
For a while you feel the silence.
Only looking for forgiveness
And when the ship is sinking fast
I only looking for a sign that tells me
Where i can walk through this endless field.
Walking on the edge of a dream.
Cant you see that i am real?
Pretend that it's for ever.
Walking to the edge of the world,
We belong in our dream,
For a while you feel the silence.
Waiting for the weight of the world
In a place so cold!
If tomorrow never comes
Hold my hand one last time, one last call
If tomorrow never comes!
Tomorrow never comes...
