

Brill Building Made for Tv Automatic Heartbreak

Transcender

Begin, resend, rejoin, amend,
Each line, on time, on beat, in rhyme
'Cause when we walk in the sun, we won
Brill Building Made for TV Automatic Heartbreak

Oh

To the moon, "get well soon". Relax, relax
Straight in yet again, Into whim we swim
'Cause when we walk in the sun, we won
Brill Building Made for TV Automatic Heartbreak

Oh

Take that into you
For we're never through
'Cause when we walk in the sun, we won
Brill Building Made for TV Automatic Heartbreak
