

Dirty Ol' Man

The Three Degrees

Dirty
You are a dirty ol' man
You can't keep your hands to yourself
You are a dirty ol' man
Go mess around with somebody else Now I've done told you
That you can look but please don't touch
But you don't understand what I mean
Can't you see I'm not old enough You say that ain't, ain't nothing
But a number (number)
You're much too experienced for me
Oh all you want to do is take my love
All you want is another victory Dirty ol' man
You can't keep your hands to yourself
You are a dirty ol' man
Go mess around with somebody else Next time you see me
You can speak but please don't stuck
'Cause I believed every word you said
And here I am with a broken heart
Don't run your game now
Don't waste it on a date No, no, no, no, no
'Cause you're a married man
And I'm still free
Oh all you want to do is take my love
All you want is another victory Dirty ol' man
You can't keep your hands to yourself
You are a dirty ol' man
Go mess around with somebody else Dirty, dirty, dirty ol' man
A dirty, dirty, dirty ol' man
A dirty, dirty, dirty ol' man
A dirty, dirty, dirty ol' man
