Gott Mit Uns (Sabaton Cruise 2014 1st Set)

Sabaton

Spent the night in formation
To the battle we march in the dawn
We were ready to die for our king
On the fields of BreitenfeldFire at will
Aim for their cannons
Counter attack
Thunder of gunsGott mit uns
As we all stand united
All together Gott mit unsFrom the old world's demise
See an empire rise
From the north reaching far
Here we areOn September the seventh
We filled their hearts with fear
Seven times they attacked on that day
Seven times they retreatedCavarly charge
Follow the banner
After the king
Freedom we bringGott mit uns
As we all stand united
All together Gott mit unsFrom the old world's demise
See an empire rise
From the north reaching far
Here we areBreaking their lines
Thousands of soldiers
Run for their lives
Legend ariseGott mit uns
As we all stand united
All together Gott mit
Gott mit uns
As we all stand united
All together Gott mit unsFrom the old world's demise
See an empire rise
From the north reaching far
Here we are
Here we are
