

A Tribute To The Fallen

Killswitch Engage

These are the days that will
Tell the stories, all
Living in the days of the fallen
A voice that once spoke of strength and hope
Nothing's addict of the hopeless You cannot break
This love with hate
A tribute to the fallen
Your choice is made
So go your way
A tribute to the fallen With the new dawn we rise
And with new strength
No we just begun
To fight this war with you You cannot break
This love with hate
A tribute to the fallen
Your choice is made
So go your way
A tribute to the fallen Walk the path you've chosen
Our faith remains unbroken Even if we die tonight
This is an endless fight
Our spirits will not fall
In the hearts of those we leave behind
Broken bones and a will of stone
In the end we will not stand alone You cannot break
This love with hate
A tribute to the fallen
Your choice is made
So go your way
A tribute to the fallen
