

# Dancing In The Dark

## Diana Krall

Dancing in the dark 'til the tune ends  
We're dancing in the dark and it soon ends  
We're waltzing in the wonder of why we're here  
Time hurries by, we're here and we're goneLooking for the light of a new love  
To brighten up the night, I have you love  
And we can face the music together  
Dancing in the darkLooking for the light of a new love  
To brighten up the night, I have you love  
And we can face the music together  
Dancing in the dark, dancing in the dark
