Main Street

The Magpies

I can?t sleep, I can?t close my eyes
Blinked one second, the whole world pass you by
Yeah, I guess I?m in
All the days you spent
I can?t eat, I can?t use my mouth
Miss one day and the whole world cast you out
Yeah I guess I try
All the times a lie
Of goodbye times, you ain?t on my side
Satisfaction, too much of mine
Song goes here, never let me down
Oh the main street seems so lonely now
I can?t hear, I can?t use my ears
Miss one speech and you?re uninformed to tears
Yeah I guess I?m scared

Every time I care
I can?t breathe, I can?t use my nose
Miss one man from the start I?m bag ? alone
Yeah I guess I?m wrong
I can?t sing a song
Of goodbye times, you ain?t on my side
Satisfaction, I go way too much of mine
Song goes here, never let me down
But the main street seems so lonely now
I can?t write, I can?t bleed my soul
Loose one friend and you whole might find its whole
Yeah I guess you?re strong
But I won?t let it show
Speak to me again,
And I have never have felt it, before.
