Evacuate the Dancefloor

Musae

Oh, turn up the music, let's get out on the floor
I like to move it, come and give me some more
Watch me getting physical, out of control, ah
There's people watching me, ah, I never miss a beat
Still the night, kill the lights, feel it under your skin
Time is right, keep it tight 'cause it's pulling you in
Wrap it up, you can't stop 'cause it feels like an overdose
(Feels like an overdose, like an overdose)
Oh, oh, evacuate the dance floor
Oh, oh, I'm infected by the sound
Oh, oh, stop, this beat is killing me
Hey Mr. DJ, let the music take me underground
Oh, oh, evacuate the dance floor
(Everybody in the club)
Oh, oh, I'm infected by the sound
Oh, oh, stop, this beat is killing me
(Everybody in the club)
Hey Mr. DJ, come burn this place right down to the ground
Oh, my body's aching, system overload, overload
Temperature's rising, I'm about to explode
Watch me, I'm intoxicated, take in the show, ah
It's got me hypnotized, ah, everybody step aside
Still the night, kill the lights, feel it under your skin
Time is right, keep it tight 'cause it's pulling you in
Wrap it up, you can't stop 'cause it feels like an overdose
(Feels like an overdose, like an overdose)
Oh, oh, evacuate the dance floor
Oh, oh, I'm infected by the sound
Oh, oh, stop, this beat is killing me
Hey Mr. DJ, let the music take me underground
Oh, oh, evacuate the dance floor
(Everybody in the club)
Oh, oh, I'm infected by the sound

Oh, oh, stop, this beat is killing me
(Everybody in the club)
Hey Mr. DJ, come burn this place right down to the ground
Come on and evacuate, feel the club is heating up
Move on and accelerate, push it to the top

Come on and evacuate, feel the club is heating up
Move on and accelerate, you don't have to be afraid
Now guess who's back with a brand new track?
They got everybody in the club going mad
So everybody in the back
Get your back up off the wall and just shake that thang
Go crazy, yo lady, yo baby
Let me see you wreck that thang
Now drop it down low, low
Let me see you take it to the dance floor, yo
Everybody in the club
(Evacuate the dance floor)
Everybody in the club
(I'm infected by the sound)
Everybody in the club
(Stop, this beat is killing me)
Hey Mr. DJ, let the music take me underground
Oh, oh, evacuate the dance floor
Oh, oh, I'm infected by the sound
Oh, oh, stop, this beat is killing me
Hey Mr. DJ, let the music take me underground
Oh, oh, evacuate the dance floor
(Everybody in the club)
Oh, oh, I'm infected by the sound
Oh, oh, stop, this beat is killing me
(Everybody in the club)
Hey Mr. DJ, come burn this place right down to the ground
