## Kill The King

## **Rainbow**

Danger, danger the Queen's about to kill There's a stranger, stranger and life about to spill

Oh no move me out of harm

I need a spell and a charm

Fly like the wind

I'm no pawn, so be gone, speed on and on

Kill the king

Tear him downKill the king, yeah

Strike him downPower, power it happens every day

Power, devour all along the way

Oh no, move me out of harm

I need a spell and a charm

And fly like the wind

I'm no pawn, so be gone, speed on and on

Kill the kingTreason, treason, the specter looms again

Treason, reason, the realm is safe and then

Oh no, move away from harm

I need a spell and a charm

Fly like the rainbow

I'm no pawn, so be gone, speed on and onKill the king

Tear him down

Kill the king, yeah

Got to take his crown

CrownKill the king

He'll rule no more

Strike him dead

The people roarKill the king, yeah

Take his head

Down, down, down, down

Oh, kill

Oh, kill

Oh, oh
