Over You

Miranda Lambert

Weather man said it's gonna snow,
By now I should be used to the cold.
Mid-February shouldn't be so scary.
It was only December,
I still remember the presents, the tree, you and me.
But you went away,
How dare you?
I miss you.
They say I'll be okay,
But I'm not going to ever get over you.
Living alone, here in this place,
I think of you and I'm not afraid.
Your favorite records make me feel better,
'Cause you sing along with every song.

I know you didn't mean to give them to me.
But you went away,
How dare you?
I miss you.
They say I'll be okay,
But I'm not going to ever get over you.
It really sinks in, you know,
When I see it in stone
'Cause you went away
How dare you?
I miss you.
They say I'll be okay,
But I'm not going to ever get over you.
