KIDZ BOP Kids

I want to know your name and
I want to know if you gotta man (I want to know)
I want to know everything
I want to know ya number and if I can come over and
I want to know what ya like
I want to know so I can do it all night
But you're telling me I'm just a friend
You're telling me I'm just a friend Oh baby you (oh baby you)
Got what I need (got what I need)
But you say I'm just a friend (say I'm just a friend)
But you say I'm just a friend
'Cause I can be your ('cause I can be your)
Fantasy
But you say I'm just a friend (say I'm just a friend)
But you say I'm just a friend I want to know you in and out
I want to know what you're all about (I want to know)
I want to know what makes you laugh
I want to know about your past
I want to know how you move
I want to know so I can move too (I want to know)
But you're telling me I'm just a friend
Telling me I'm just a friend Oh baby you (oh baby you)
Got what I need (got what I need, yeah)
