It's Gonna Take a Little Bit Longer

Charley Pride

Baby, it's gonna take a little bit longer
For me to ever get you off of my mind
Baby, it's gonna take a little bit longer
'Cause I've been lovin' you a long long timePeople try to tell me that it won't be long
Till I won't even miss you anymore
But I can tell them it must be something mighty wrong
'Cause every day I want you even moreAnd baby, it's gonna take a little bit longer
For me to ever get you off of my mind
Baby, it's gonna take a little bit longer
'Cause I've been lovin' you a long long timeThey say this lonely feeling that it'll go away
But after all this time now it ain't gone
Every weaken moment and every night and day
Just seems to keep on keeping on
