

# Let Me Be Myself

## 3 Doors Down

I guess I just got lost being someone else  
I tried to kill the pain, nothing ever helped  
I left myself behind somewhere along the way  
Hoping to come back around to find myself someday  
Lately I'm so tired of waiting for you  
To say that it's okay  
But tell me please, would you one time just let me be myself ?  
So I can shine with my own light, let me be myself  
Would you let me be myself?  
I'll never find my heart behind someone else  
I'll never see the light of day living in this cell  
It's time to make my way into the world I knew  
And then take back all of these times that I gave into you  
But lately I'm so tired of waiting for you  
To say that it's okay  
Tell me please, would you one time let me be myself?  
So I can shine with my own light, let me be myself  
For a while, if you don't mind, let me be myself  
So I can shine with my own light, let me be myself!  
That's all I've ever wanted from this world  
Is to let me be me  
Please would you one time let me be myself?  
So I can shine with my own light, let me be myself  
Please would you one time, let me be myself  
So I can shine with my own light, let me be myself  
For a while, if you don't mind, let me be myself  
So I can shine with my own light, let me be myself!  
Would you one time, ooh, let me be myself and let me be me?
