

# Killer (Acoustic Version) [Bonus Track]

Seal

Brother, brother  
Sister, sister It's the loneliness that's the killer So you want  
To be free  
To live your life,  
The way you want to be  
Will you give,  
If we cry?  
Will we live,  
Or will we, die?  
Oh Jaded hearts heal with time  
Shoot that love (oh whoa whoa whoa)  
So we can  
Stop the bleeding, oh Solitary brother (brother)  
Is there still a part of you that wants to live? Solitary sister (sister)  
Is there still a part of you that wants to give? Solitary brother (brother)  
Is there still a part of you that wants to live? Solitary sister (sister)  
Is there still a part of you that wants to give? If we try  
Live our lives  
The way we wanna be yeah Oh, love love  
Oh, love love  
Oh, love love Brother, brother  
Sister, sister  
Brother, brother, brother, brother, brother There's no other love, there's no other love, there's no other love  
There is no other love, no other love like ours  
There's no other love, there's no other love, there's no other love  
There is no other love, no other love like ours  
There's no other love, there's no other love, there's no other love  
There's no other love, there's no other love, there's no other love  
There is no love Solitary brother (brother)  
Is there still a part of you that wants to live? Solitary sister (sister)  
Is there still a part of you that wants to give? Solitary brother (brother)  
Solitary sister (sister)  
Is there still a part of you that wants to give? Racism in among future kings can only lead to no good  
Besides, all our sons and daughters already know how that feels  
Yeah yeah yeah  
Love love love
