Diamond Veins

French 79

Blood felt joy of life
Take my soul, take my sacrifice
Blood felt joy of life
Take my soul, take my sacrifice

Blood felt joy of life
Blood felt joy of life
Diamond veins running thru me
You are the diamonds in my veins
Baby you got me

Will I have to explain
Or can I get away with it again
Diamond veins running thru me
You are the diamonds in my veins
Baby you got me
