Jamie's In Town

Juliana Hatfield

Tonight we were going to go
I know
But Jamie's back in town
I'm not gonna answer the phone
I'm not home
Because Jamie's back in townJamie's back in town
I can't run into him
I don't want him to see me
On a binge
Na, na, na, na, naI hate it when Jamie's back in town
I crawl into my cave
With bloodshot eyes
Little sugar pills to ease my mind
I could turn into a butterflyPlease let me know when he's gone
I'll come out
Until Jamie's back in town
Jamie's back in town
