

# Glow

## Elan

Baby says I get out of line. Got to keep  
me fighting for my life. I sleep with  
one eye open, can't keep what I owe, man.

And all this time I've been out of my  
mind. Things got out of hand; you're not  
coming back.

And I want to know where you're gonna  
go

And I want to go where you're gonna go.  
Why you got to keep me so low? I'm only

trying to make us glow. And it's not easy  
when you spend all the dough. You know  
we ought to make this two-person show.

And I want to know where you're gonna  
go

And I want to go where you're gonna go.  
And I want to go where you're gonna go.  
And I want to know if you're gonna glow.
