# The Saltwater Room

## [Owl City](#)

I opened my eyes last night
And saw you in the low light
Walking down by the bay on the shore
Staring up at the stars that aren't there anymoreI was feeling the night grow old
And you were looking so cold
So, like an introvert, I drew my over shirt
Around my arms and began to shiver violently beforeYou happened to look and see
The tunnels all around me
Running into the dark underground
All the subways around create a great soundTo my motion fatigue: farewell
With your ear to a seashell
You can hear the waves in underwater caves
As if you actually were inside a saltwater roomTime together isn't ever quite enough
When you and I are alone, I've never felt so at home
What will it take to make or break this hint of love?
We need time, only timeCan you believe that the crew has gone
And wouldn't let me sign on?
All my islands have sunk in the deep
And I can hardly relax or even oversleepI feel as if I were home, some nights
when we kill all the ship lightsI guess I'll never know why sparrows love the snow
We'll turn off all of the lights and set this ballroom aglow(So tell me darling, do you wish we'd fall in love?)
(Yeah, all the time)
(All the time)Time together isn't ever quite enough
When you and I are alone, I've never felt so at home
What will it take to make or break this hint of love?
We need time, only timeWhen we're apart whatever are you thinking of?
If this is what I call home, why does it feel so alone?
So tell me darling, do you wish we'd fall in love?
All the time, all the timeTime together isn't ever quite enough
When we're apart whatever are you thinking of?
What will it take to make or break this hint of love?
So tell me darling, do you wish we'd fall in love?
All the time, oh all the time
