

Dancing On a Cloud

Jeff Gunn & Kate Higgins

Lyrics

Cinderella: Dancing on a cloud
I'm dancing on a cloud
When I'm in your arms the world is a heavenly place Prince Charming:
Dancing in a dream
I'm dancing in a dream
For how can I help but dream when I see your face
before me Cinderella: Love is on its way
And as we gently sway
The moon and the stars appear bringing romance
for two
Prince Charming: I just can't believe that I found you
Cinderella: I just can't believe that it's true
Both: Yet here am I dancing high on a cloud with you
Prince Charming: Dancing on a cloud I'm dancing on a cloud
Cinderella: When I'm in your arms this world is a heavenly place
Prince Charming: Dancing in a dream
Both: I'm dancing in a dream
For how can I help but dream when I see your face
before me Love is on its way
And as we gently sway
The moon and the stars appear bringing romance
for two
Cinderella: For me and for you
I just can't believe that I found you
Prince Charming: I just can't believe that it's true
Both: Yet here am I dancing high on a cloud with you
