

# Leavin' Blues

Kelly Joe Phelps

Leavin' Blues(Herman Johnson)I wanted to leave here this evening

But I stays way too long

Wanted to leave here this evening

But stays way too long

Well the girl that I'm loving

Took that westbound train and goWell the road is so foggy

And I can't see where to go

And the road is so foggy babe

I can't see where to go

Gonna take me so long to make it

I hafta drive so slowGonna take my breakfast here

Eat my supper in Mexico

I'll take my breakfast here

Eat my supper in Mexico

Say goodbye, Miss Karina

Well I won't see you no more

Yeah goodbye, Miss Karina

I won't see you no moreI wanted to leave here this evening

But I stays way too long

I wanted to leave here this evening

But I stays way too long.Say goodbye

Won't see ya no more

Say goodbye

Won't see ya no more
