# Afterglow

## Genesis

Like the dust that settles all around me
I must find a new home
The ways and holes that used to give me shelter
They're all as one to me nowBut I, I would search everywhere
Just to hear your call
Walk upon stranger roads than this one
In a world I used to know before, I miss you moreThan the sun reflecting off my pillow
Bringing the warmth of new life
And the sound that echoed all around me
I caught a glimpse of in the nightBut now, now I've lost everything
I give to you all my soul
The meaning of all that I believed before
Escapes me in this world of none, no thing no oneI would search everywhere
Just to hear your call
And walk upon stranger roads than this one
In a world I used to know beforeOh now I've lost everything
I give to you all my soul
The meaning of all that I believed before
Escapes me in this world of none
I miss you more
