

# Dive (Live At Pine Street Theatre)

## Nirvana

Oh!

Pick me - pick me yeah  
Live alone, lone single  
At least, at least yeah  
Everyone is hollow

Pick me - pick me yeah  
Everyone is waiting  
Pick me - pick me yeah  
You can even pay them

Hey

Dive  
Dive in me

Dive in me

Kiss this, kiss that yeah  
Live alone, lone single  
At least, at least yeah  
You can be my hero

Pick me - pick me yeah  
Everyone is waiting  
Hit me, hit me yeah  
I'm real good at hating

Hey

Dive  
Dive in me

Dive in me

Dive  
Dive in me

Dive in me
