

Silent Fall

Veil of Sorrow

What do you see when your eyes are closed
What do you feel deep down inside
Why do you try to understand your pain
Why do you always walk away Descend into the darkling seas
Your silent fall What do you see when your eyes are closed
What do you feel deep down inside
Why do you try to understand your pain
Why do you always walk away Descend into the darkling seas
Your silent fall
Leave behind the memories
Closed your eyes one last time
